Undergraduate Women in Computing at UCSD
2011 Constitution

I. Name

A. The official name will be Undergraduate Women in Computing at UCSD, but may be referenced informally as Women in Computing, or WIC.

II. Statement of Purpose

A. We are committed to foster an innovative and informative environment for women in computer science and engineering in the department.
B. We will engage in technical/career discussions and debates.
C. Bring keynote speakers, career fair information, interview preparation, awareness about relevant CS conferences, and exposure to all the latest CS research news to our members.
D. Invite women CS professors and/or UCSD women alumnae to come speak to our members and provide tips for interviews, career life, and gender issues many CS women face.
E. Host CS coding competitions in order to foster interest in this field.
F. Plan social events with other organizations of the field where our members can meet and foster friendship with fellow students.
G. Undergraduate Women in Computing at UCSD is a non-profit student organization

III. Requirement for Membership

A. The members should help this club create a collaborative, friendly and stimulating environment to all who wish to enter the field of Computer Science and Engineering.
B. Membership will not be restricted by gender, race, age or religion.

IV. Frequency of meetings

A. We will have a General Body Meeting every month, welcoming all members to discuss future plans, ask for feedback and meet new students.
B. Officer's only meetings will be held weekly.
C. Social, Outreach and Academic/Professional activities shall be scheduled throughout the year in addition.

V. Officer's Qualification

A. An officer will be replaced by an agreement of the current officers in our organization.
B. An officer must have been a member of this organization in the previous year she or he is to be selected.
C. To hold office, the student must show passion for this organization's purpose.
D. Officers must be registered UCSD students and in good academic standing for the year they are elected.
E. Only registered UCSD students may vote in elections for officers.
