**Constitution**
**Association of Professionals & Students**

1. Association of Professionals & Students
2. The Association of Professionals and Students (APS) promotes higher education to disadvantaged students with the help of professionals and college students who volunteer in the community. We strongly believe in empowering the next generation of leaders with the knowledge required to attend institutions of higher learning; while instilling the social values of service, justice and fidelity to the community.
3. Association of Professionals & Students is a non-profit student organization.
4. Requirements for membership:
    a. Hold a minimum of 2.5 GPA
    b. Have a strong desire to serve the community
    c. To become a member you must sign up with an officer and fill out an application stating your reason for joining the organization
5. Frequency of the organization meetings:
    a. Association of Professionals & Students will meet every other week to organize and plan events for the community
6. Qualifications for holding office and methods of selecting and replacing officers: Officers will be selected yearly and may serve a term of one year or more, depending on the vote of the members.
    a. President: Must be a current UCSD student and have at least a 2.5 GPA. Must have the ability to delegate and oversee numerous projects. Must work closely with the board of directors to plan events on and off campus. Must help with student recruitment and decision-making.
    b. Vice President: Will provide administrative support for the President and take over the President's role if he/she is unable to serve.
    c. Secretary: Will keep a record of minutes and decisions made during meetings. Will provide follow-up support for decisions reached at meetings.
    d. Treasurer: Will keep monthly financial reports, which shall be reviewed during meetings. Will assist in the development of fundraising ideas and help make arrangements with the school to fundraise.
7. Financial Matters
    a. APS will fundraise on and off campus for organization events.
8. Community Advisor
    a. A community advisor will be selected to serve for a term of one year. The advisor will be a previous UCSD alumnus who is currently active in underserved communities.
