Constitution for Muir Musical

I. The purpose of this organization is to produce one annual student-run musical theater production.

II. Muir Musical is a non-profit student organization.

III. Membership:

1. Undergraduates and graduate students from all six UCSD colleges are welcome to join. Only students will be considered for cast, orchestra, and production staff positions.
2. Production staff positions are appointed positions chosen by the director. Cast and orchestra will be chosen after a fair and objective audition process. People not chosen to work on the production staff, orchestra, or cast will have opportunity to help with the production in other capacities.
3. There shall be no dues for participation. However, members may be asked to volunteer to help with fund raising for the production in some capacity.

IV. Officers:

1. The production staff for the show constitutes the officers of the organization.
2. The director shall be chosen by the organization advisers, Patricia Mahaffey and Steven Adler. Applications may be directed to them towards the end of the school year. They will interview candidates and choose the next year's director.
3. The director will appoint people to the positions within the production staff to the extent that he or she is able. Positions left unfilled should be advertised and applicants put through a fair and objective interview process. Any positions that are made vacant during the year may be filled at the discretion of the director.

V. The organization will meet as frequently as necessary, generally consisting of regular production staff meetings and orchestra rehearsals throughout one or two quarters. Generally, cast rehearsals will be held four to five nights a week during the quarter before the performance. This is followed by "tech week" where the final adjustments are made, and then a week of performances.
